

OCTC SUMMER PROGRAM 2017

Dear Parents/Guardians,

Due to construction that is occurring inside and outside of our 395 Smyth site this summer, we will not be offering our summer program this year. This includes: Little Explorers, Busy Bodies and Kids in Motion. We look forward to offering this program to you again in the summer of 2018. If you have any questions, please contact Janice Forbes at jforbes@octc.ca or at 613-737-0871 ext 4331.
