

Ottawa Pediatric Rehabilitation Research Alliance (OPRRA)

OPRRA (Ottawa Pediatric Rehabilitation Research Alliance) is a partnership in research including the Ottawa Children's Treatment Centre (OCTC), Children's Hospital of Eastern Ontario (CHEO), CHEO Research Institute (CHEO RI) and the University of Ottawa Faculty of Health Sciences (UO).

The goal of the alliance is to create and maintain a supportive pediatric rehabilitation research culture in Eastern Ontario through advocacy, information sharing, and collaborative research activity. The alliance produces bi-annual newsletters that are shared amongst members.
